New Business:

The three members of the FOCL Virginia Rezmierski, Brian Weiddle, XX spoke about the possibility of putting in a Federally Qualified Health Center in the Village of Stockbridge. They spoke to the benefit to the community as there is no longer a doctor's office in the Village. The Center would be out near the Jr/Sr High School. There was the discussion on Pros and Cons. No decisions were made for or against the discussion.

Looked at the 6-45 again.
