Public Comment.

Opened meeting for Public Comment. No public present. Closed Public Comment.

Unfinished Business.

Started working on the 6-year Capital Outlay Plan (specifically mentioned by the Auditor).

No motion was made Chair decide to just start discussing.

1. Why was the Planning Commission tasked with creating a 6-year Village Capital outlay plan.
2. If the Planning Commission puts in the hard work to produce a 6-Year Capital outlay plan will the Village Council actually use it?

3. Where is the money going to come from to implement the plan.
4. Will the Village Council and other Departments of the Village cooperate with the Planning Commission in gathering information needed to produce a 6-year plan.
5. What resources are going to be made available in gathering information and obtaining cost and projections of impact , feasibility and priority of items included in C.O.P.
6. Is there a budget available to the P.C. for hiring professionals to provide cost estimates to determine the remaining life expectancy of identified issues. Evaluate condition of identified issues as required by Michigan Planning and Enabling act: 33 of 2008 paragraph. 125.3865 Capital improvements program of public structures and improvements; preparation; basis. Sec. 65. As stated below.
 - a. The capital improvements program shall be based upon the requirements of the local MOTION Consequently, each agency or department of the local unit of government with authority for public structures or improvements shall upon request furnish the planning commission with lists, plans, and estimates of time and cost of those public structures and improvement

New Business.
